Re: Reference for Philipp Volguine

August 10th, 2016

To Whom It May Concern,

My name is Omid McDonald and I'm the CEO at Legitmix. This is a letter of reference for Philipp Volguine who worked with us from February, 2015 to June of this year. Philipp was hired to work with our development team. Legitmix is an e-commerce startup and Philipp was responsible maintaining existing code and developing new features. During his time with us Philipp successfully designed and coded a major new product feature that is now heavily used by our customers. Unfortunately, we had to let Philipp go due to downsizing. I would recommend Philipp for any software development role.

You can contact me at omid@legitmix.com or 613 716 3555 if you have any questions.

Best regards,
